

INTERESTED IN POSSIBLY REDUCING YOUR HEALTH BENEFITS BY UP TO A THIRD?

Our time-tested process has been reducing health care cost by **35%* on average** for many of our dealership clients, while also easing their employee benefits administration.

Let's see how we can help you too!

*Results are not guaranteed. Figures are typical experiences of Hilb Group employee benefits clients.

What Sets Us Apart from Other Benefits Advisors

Why Partner With Us

Made By Dealers for Dealers

Our organization was born out of the Virginia Auto Dealers Association. We were built by dealers for dealers to help them pay for and manage employee benefits more efficiently.

Dealer Association Endorsed

Your association has vetted our team, people, and results to ensure that you have the absolute best. And we are excited to be the exclusive endorsed partner of your association.

How We Help Lower Benefits Costs

Cost-Containment

Employee Engagement & Education

Compliance

Improved HR Operation

**We Helped More Than
1,500 Dealerships in
Over 30 Years**

42 %

Reduction in prescription drug spend for a dealer's employees by 42%, simply by evaluating their pharmacy contract

27 %

That is a \$2.1 million reduction in health benefits costs from 2022 to 2023 for a dealership
